Title: Orc Findings Part 2

Author: Runi the Ethnographer

My goodness I am an  
idiot. What the blood hell  
was I thinking doing this?  
I was in the dungeon for  
all of ten minutes before  
they tied me up.

I pleaded with the eld  
whom they seem to be  
taking orders from to no  
avail. I just want to go  
home! And they keep  
threatening to -eat me-?!  
Terrible!

I just want to go home...  
I know there's a way to  
figure this out...
